- WHEREAS, millions of pesos of economic loss befell both the municipal coffer and the individual endeavors and initiatives of the local residents particularly in agriculture, reducing to a great extent the expected income particularly of the marginal farmers and small businessmen of the municipality;
- WHEREAS, the damaged San Rafael dike poses a grave threat to the people of this town who would recall with panic their horrible experience in the floods of 1993 which rendered homeless many of those in the affected barangays and deprived them of their source of livelihood for many months;
