

through its Punong Barangay, Barangay Kagawad and Barangay Tanod, members of the Municipal Fishery Law Enforcement Team, members of the Enforcement Sub-Committee, and others who have undergone through law enforcement training and have been designated by the Municipal Mayor of Roxas as Deputized Fish Wardens shall enforce this ordinance. The municipal government shall assign two (2) personnel from the Banlay Dagat members of that barangay to guard these fish sanctuary and coordinate with the barangay officials and the enforcement of sub-committee. As soon as the municipal government can acquire a patrol boat it will be used by the fish sanctuary guard in guarding the fish sanctuary. A guardhouse either floating or inland will be constructed on the place where the guard can be visible to the fish sanctuary area for ease and satisfactory monitoring.

- SECTION 15. Information Education - The municipal government will support the information and education campaign and sub-committee in the development and implementation of an education program to stimulate the necessary community support and awareness and to achieve substantial self-regulation.
- SECTION 16. Artificial Reef - If necessary, artificial reefs shall be placed at the corners and along the perimeter of the fish sanctuary and on hard, sandy bottom to deter the operation of active fishing gears.
- SECTION 17. Pollution Mitigation - The municipal government shall strongly enforce Municipal Ordinance No. 02 series of 2010, which penalizes aquatic pollution arising from the dumping of domestic, petroleum, animal and agricultural waste. Pollution from these sources poses health hazards to both the human inhabitants and fish and fishery aquatic resources.
- SECTION 18. Sea Grasses Enhancement - The municipal government shall promote sea grasses protection, restoration and conservation in the vicinities to complement the ecological functions of the Paclasan Fish Sanctuary.
- SECTION 19. Supervision - The FMO representing the Municipal Mayor and MFSMC shall conduct overall supervision and management of the Fish Sanctuary Project.
- SECTION 20. Technical and other Assistance - The Office of the Provincial Agriculturist/Fishery Division, The Conservational International (Phils.) and the Bureau of Fisheries and Aquatic Resources shall provide technical, training and other assistance for the implementation and operation of the Fish Sanctuary Project.
- SECTION 21. Periodic Review - The municipal government through the FMO shall conduct an annual periodic review of the management and development of the Fish Sanctuary Project within five (5) consecutive years to allow continual refinement and condition changes and status of the area. They shall consider desirable modification as indicated from the results of the implementation arrangement, surveillance and monitoring results.

SECTION 22. Penalty and Sanctions - Violations of any provision of this ordinance shall subject the offender for each offense to the following:

- a) First Offense - a fine of Php1,500.00
- b) Second Offense - a fine of Php2,000.00
- c) Third offense - a fine of Php2,500.00 or an imprisonment of six (6) months or both at the discretion of the court.

In any of the offense above-enumerated, the fish catch will be confiscated, fishing boats and other paraphernalia shall be held in custody by the Municipal PNP until the case is duly resolved. Violators found to cause damages to corals; sea grasses and other activities or causes shall pay a fine equivalent to Php2,500 per sq. m.

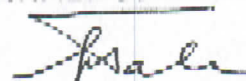

Compressor or "kapandra" fishing inside the sanctuary areas or its buffer zone is considered a capital offense, the fishing boat, the "kapandra" or compressor and other paraphernalia including the fish catch or any other fishery products caught therein will be confiscated in favor of the Municipality of Roxas and may be considered as third offense.

SECTION 23. Repealing Clause - All ordinances, rules and regulations or any part thereof which are inconsistent or in conflict with any of the provisions of this ordinance are hereby repealed or modified accordingly.

SECTION 24. Separability Clause - If any part or provision of this ordinance shall be held unconstitutional or invalid, the other parts or provisions hereof which are not affected thereby shall continue to be in full force and effect.

SECTION 25. Effectivity Clause - This ordinance shall take effect upon the approval of the Sangguniang Panlalawigan.
