RESOLUTION NO. 021
Series of 1998

RESOLUTION RESPECTFULLY REQUESTING THE HON. MANUEL G. ANDAYA, CONGRESSMAN, SECOND DISTRICT OF ORIENTAL MINDORO FOR ASSISTANCE IN THE REHABILITATION OF THE ROXAS DISTRICT HOSPITAL, ROXAS, ORIENTAL MINDORO.

WHEREAS, the Roxas District Hospital in Barangay Odiong, this municipality has been constructed sometime in the 1970's;

WHEREAS, the Roxas District Hospital has been serving the towns of Bulalacao, Mansalay, Roxas and Bongabong for almost three decades now and through these years the wear and tear of time are markedly seen and noticed in the battered window panes, leaking roofs and washed-out paints, these made worst with the inside walls and posts attacked by termites, some portions of which may not be able to survive for a much longer period of time;

WHEREAS, the physical condition of the structure is further worsened by lack of or inadequacies in manpower, in facilities and especially in medicines which almost always are the root cause of inability to provide the townspeople of the above-mentioned localities with services expected of in a government hospital;

WHEREAS, where there is a resident physician/chief of hospital, the services are limited since surgical jobs are not within his capability so that no choice is left in emergency cases except to bring patients to the provincial capital or to private clinics in the municipality where the price of hospitalization is far beyond the means of a great majority of the local residents;

WHEREAS, lack of modern medical facilities and equipment are reasons for patients in need of the use of such machines to seek the services of local private hospitals and clinics or to go to Calapan City or to Manila, but the high cost of hospitalization are only for those who can afford, the underprivileged suffer the consequences of financial difficulties;

WHEREAS, more often, medicines in the hospital's pharmacy are limited and the doctor's prescriptions are more often bought in the town's drugstores which again, those who can hardly afford, more so the impoverished are always left at a difficult and even more miserable state;

WHEREAS, this neglect of the government to improve its health institutions and facilities is depriving our poor and unfortunate people of the basic health services of a hospital and is a cause of discontent and loss of trust to government leaders and authorities;

WHEREAS, this august body unanimously agreed to address this long-time problem and need to the Honorable Congressman Manuel G. Andaya respectfully requesting for assistance in the rehabilitation of the Roxas District Hospital in this municipality.

NOW THEREFORE, on motion of Kagawad Juanito A. Bacay, Jr. duly seconded by all -

BE IT RESOLVED to respectfully request as it hereby requests the Honorable Congressman of Second District of Oriental Mindoro for assistance in the rehabilitation of the Roxas District Hospital of this municipality - for structure and the resources that would equip it for a better and improved services to the people it is to serve.
