RESOLUTION NO. 025
Series of 2000

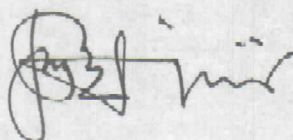

RESOLUTION CREATING AN ANTI - TB TASK FORCE IN THE
MUNICIPALITY OF ROXAS, ORIENTAL MINDORO

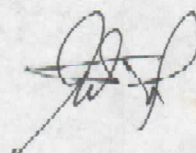

WHEREAS, based on the National Prevalence Survey of the Department of Health, 22 million Filipinos are infected by tuberculosis with 270,000 reported cases each year, while 68 Filipinos die from the disease each day making tuberculosis a major public health problem in the Philippines today;

WHEREAS, as partners of the national government in development, all local government authorities are enjoined to prioritize the TB Control Program among all other health programs from 1998 to 2004 and utilizing World Health Organization's Directly Observed Treatment Short-Course Strategy (DOTS) with the aim of achieving a remarkable reduction on the socio-economic predicaments caused by the disease and further to check its spread to many communities;

WHEREAS, pursuant to Memorandum Circular No. 98 - 155 of the Department of the Interior and Local Government entitled Local Government Tuberculosis Control Strategy, the Municipal Government of Roxas, Oriental Mindoro is hereby creating an ANTI - TB TASK FORCE in the municipality to be composed of the municipal health officer, representatives from local medical, nursing and midwifery schools, hospitals and civic organizations, as well as private medical practitioners;

WHEREAS, pursuant further to said memorandum circular, the Municipal Government of Roxas, Oriental Mindoro shall pursue the activities stipulated thereto in coordination with the Department of Health or its representatives and other partners in the government and private sectors for the success of the Anti - TB Control Program.
