WHEREAS, in compliance to RA 8545, the Private Education Students' Financial Assistance (PESFA), a program of the TESDA designed to help poor but deserving high school graduates acquire college education, had been implemented in Oriental Mindoro in 1995 with a total of one hundred five (105) student beneficiaries/scholars;

WHEREAS, from its initial year of implementation until the current school year, the number of PESFA scholars / grantees remain the same; however, the increasing cost of tertiary education had made acquiring higher education very difficult, especially for the poor who are barely able to send their children to secondary schools;

WHEREAS, in the Municipality of Roxas, Oriental Mindoro, a fourth class municipality having the most dense population, about 30% of the total population belong to the very poor or "marginalized" sector

who had barely enough means to support their daily living expenses;

WHEREAS, many of the high school graduates and out-of-school youths seeking entry to the PESFA Program are not accepted because of limited slots allocated for the schools within the municipality;

WHEREAS, there is an apparent need to increase the number of slots allocated for PESFA scholars of the municipality to accommodate these poor but deserving students who ardently desire to improve their status in life and develop their potentials.

NOW THEREFORE, on motion of Councilor Herman C. Erorita duly seconded by all members present -

BE IT RESOLVED to respectfully request as it hereby requests Hon.
