RESOLUTION NO. 622
Series of 2022

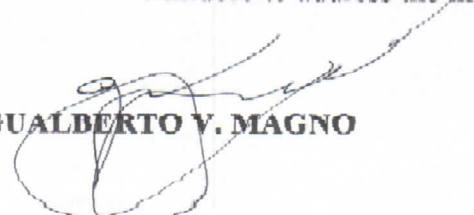

RESOLUTION ENDORSING THE APPEAL OF ORIENTAL MINDORO ELECTRIC COOPERATIVE, INC. (ORMECO, INC.) TO THE NATIONAL POWER CORPORATION FOR THE IMMEDIATE IMPLEMENTATION OF A 17MW CAPACITY POWER SOURCE FOR THE PROVINCE OF ORIENTAL MINDORO

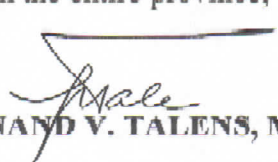

WHEREAS, the Province of Oriental Mindoro, especially the southern grid from the town of Socorro to Bulalacao is facing severe power shortages this coming summer season from March to August 2022 due to increased demand from stay and work at home residents, expected influx of tourist to the island's resort areas, expiration of the MGC 5 MW power supply contract and the unfortunate 70% drop in the generation of the 24.215 MW mini-hydro plants to only 7.3 MW due to low water level during dry summer season;

WHEREAS, in view of the above, rotational and prolonged brownout schedules may be implemented that cause would further aggravate the suffering of the already COVID-19 affected population and businesses as well as adversely interfere with the campaign and election in the coming national and local elections that will be held in May 2022 and thus affect this treasured democratic process;

WHEREAS, in relation to the above, the Management of Oriental Mindoro Electric Cooperative, Inc. (ORMECO, INC.) requested for the implementation of a 17MW Power Source for the Province of Oriental Mindoro that will come from the National Power Corporation (NPC);

WHEREAS, the Sangguniang Bayan of Roxas, Oriental Mindoro deemed it expedient to endorse the appeal of Oriental Mindoro Electric Cooperative, Inc. (ORMECO, INC.) to the National Power Corporation (NPC) for the implementation of 17MW capacity power source for the Province of Oriental Mindoro to address the lingering power problem in the entire province;

GUALBERTO V. MAGNO

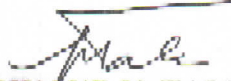

FERDINAND V. TALENS, MPA
