

The fees and charges may be earmarked as wages for the maintenance service workers mentioned in this Ordinance.

SECTION 12. SCIENTIFIC RESEARCH IN MANGROVE AREAS. Scientific research to be conducted in mangrove areas should get an approval from the Department of Environment and Natural Resources Office (DENR). Researchers shall also coordinate with the Sangguniang Barangay of San Jose. They are also required to pay the entrance and environmental fees mentioned in this Ordinance.

SECTION 13. COMMUNICATION SYSTEM. The Sangguniang Barangay of San Jose shall come up with a communication system to ensure safety of entry and exit of users. The barangay shall invest on establishing a repeater-based common radio communication (exclusive frequency) in close coordination with the Municipal Disaster Risk Reduction and Management Office.

SECTION 14. MANGROVE AREAS MANAGEMENT. The following are the governing rules in the campsite.

- a) Barangay must install signage to include trail directions, maps and information of the destinations and its corresponding ecotourism products.
- b) Barangay and owners or lessees of destination must strictly comply with requirements on sanitation, waste and pollution, and safety of its related ecotourism products.
- c) Videoke and its related activities that generate disturbance to wildlife are prohibited inside the mangrove areas.
- d) User, barangay and owners or lessees of destinations are obliged to plant mangrove species as part of their social environmental responsibility.

SECTION 15. SIGNAGE. Signage should be stable and immovable and should be strategically located along the trail. Materials to be used for signage are plain G.I. sheet frames with the size of 3x4 feet. It should reflect basic information like trail directions, maps and information of the destinations and its eco-tourism products.

SECTION 16. PROHIBITIONS. All mangrove areas located in Sitio Dalahican, Barangay San Jose shall be protected from:

- a) Dumping of any waste or products detrimental to the protected area, or to the plants and animals or inhabitants therein;
- b) Collection, gathering or mere possession of natural resources from the entire mangrove areas;
- c) Cutting of mangroves, grazing animals and gathering of shells are prohibited;
- d) Converting mangrove areas into fishpond;
- e) All fishing methods including but not limited to dynamite fishing, muro-ami type of fishing, spear-fishing using scuba, cyanide or other strong poisons; and using of very small mesh gill net;

GUADBERTO Y. MAGNO

FERDINAND V. TALENS, MPA

- f) Destruction and disturbance of natural resources such as but not limited to live and dead corals, shells, aquarium/ornamental fishes and other organisms;
- g) Anchoring of boats.

SECTION 17. PENALTY CLAUSE. In violations of this ordinance, the offender/s shall be penalized as follows:

- a) Pay with a fine of Two Thousand Five Hundred Pesos (P2,500.00) or assessed value of damage incurred the mangrove areas;
- b) Confiscation of illegal fishing gears and vessels;
- c) Required to replant mangroves depending on the extent of damage they caused.

Where the violator of this Ordinance does not contest his/her apprehension and elect to pay the fine imposed under the preceding paragraph, the enforcement officer shall forthwith issue citation ticket to the person apprehended without resort to the Court. The citation ticket shall state or contain (a) the name, signature, age and address of the person apprehended; (b) the material facts obtaining in the commission or omission of the crime defined and penalized under this Ordinance; (c) the amount of fine which is payable in favor of the Municipal Government of Roxas; and (d) notice requiring the person apprehended for extra-judicial settlement of his/her violation by paying the prescribed amount of fine at the Office of the Municipal Treasurer within seventy-two (72) hours from issuance therefor, otherwise, appropriate complaint shall be filed against him/her before the Court of law.

SECTION 18. INCOME ALLOCATION. All income generated from this project will be disbursed by the Office of the Municipal Treasurer semi annually through the following sharing scheme: 80% goes to Barangay San Jose, and the remaining 20% will go to the Municipal Government of Roxas through the Municipal Trust Fund. The shares must be utilized for fishery-related programs, projects and activities.

SECTION 19. IMPLEMENTING RULES AND REGULATIONS. The DOT, the DENR-CENRO, in consultation with the Municipal Government of Roxas, concerned government agencies, and stakeholders shall formulate the Implementing Rules and Regulations within thirty (30) days from the provision of this ordinance.

SECTION 20. FUNDING. The Municipal Government shall allocate funds for the implementation of this Ordinance.

SECTION 21. SEPARABILITY CLAUSE. If, for any reason, any provision of this Ordinance is declared unconstitutional or invalid, other provisions thereof which are not affected thereby shall continue to be in full force and effect.
