RESOLUTION NO. 035
Series of 2003

RESOLUTION RESPECTFULLY REQUESTING HON. MEDARDO MELICOR, ASST. GENERAL MANAGER (ENGINEERING DIVISION) PHILIPPINE PORTS AUTHORITY FOR THE SPEEDY IMPLEMENTATION OF THE CONSTRUCTION OF BACK-UP AREA AND PASSENGER TERMINAL AT DANGAY PORT, ROXAS, ORIENTAL MINDORO.

WHEREAS, the national government's launching of the STRONG REPUBLIC NAUTICAL HIGHWAY PROJECT in the western part of the Philippines covering the MIMAROPA provinces to the Visayan groups of islands going to Mindanao and passing this municipality is much welcome by the people of this town considering the diverse benefits included in the project that would support the basic services urgently needed by the local constituents;

WHEREAS, the construction of the port at Barangay Dangay and its formal opening to business and trade on March 31, 2003 by Her Excellency President Gloria Macapagal-Arroyo is a stopping stone and a sustaining factor towards this municipality's vision of being a "Center of Trade in Southern Mindoro, Gateway to Paradise", the local governance firmly believing this can be achieved with proper harnessing of local resources and with the support of the national government and other local government units;

WHEREAS, at present a Ro-Ro vessel is plying the Roxas Catclan route daily from Dangay Port with aircon buses from Cubao for passengers, and vans and private vehicles bound to the Visayan islands;

WHEREAS, for the convenience of people patronizing this way to and from the places / routes of island vessels plying to the Philippine waters, it is of urgency and of utmost importance that service facilities and amenities be promptly provided in the port area;

WHEREAS, foremost of these facilities are the back-up area and passenger terminal which in the week the port has been operational was found to have caused inconvenience and hardship to people waiting for departure / arrival of the boat;

WHEREAS, such deficiency has been augmented by the absence of an adequate lighting system, very essential to promoting order and in facilitating comfortable movements of people in the port area;

WHEREAS, this urgent need for the construction of the back-up area and passenger terminal and the electrification in the port area is being addressed to concerned authorities and in this respect to the Philippine Ports Authority for the needed assistance so as not to hamper the services of this newly-opened western seaboard to Panay, Negros and Mindanao.

NOW THEREFORE, on motion of Councilor Ramil O. Dimapilis and unanimously seconded by all -

BE IT RESOLVED to respectfully request as it hereby requests Hon. Medardo Melicor, Asst. General Manager / Engineering Division of the Philippine Ports Authority for the speedy implementation of the construction of back-up area and passenger terminal and electrification at Dangay Port, Roxas, Oriental Mindoro

RESOLVED FURTHER to send copies of this resolution Hon. Medardo Melicor, Asst. General Manager/ Engineering Division, Philippine Ports Authority, Port Area, Manila for his perusal and immediate action.

RESOLVED FINALLY to furnish a copy of this resolution Mrs. Adelaida Hernandez, Port Manager, Port Management Office, Calapan City for the necessary support to this request.

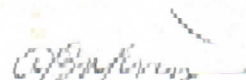

Unanimously Approved.
