WHEREAS, the Municipal Government of Roxas, Oriental Mindoro has prioritized farm to market roads in the municipality's development plan as one very important project to support the economic endeavors of the townspeople especially those in the interior and far-flung barangays of this municipality;

WHEREAS, farm families of concerned agricultural communities of this town have brought to the attention of the local officials the urgent need for the construction of farm-to-market roads which are imperative primarily for bringing their produce to the nearest highway for market in the adjoining barangays and in the poblacion;

WHEREAS, the transport to the national highway of rice, fruits and vegetables and other crops from the barangays and which are in demand in the local market and outside the province is often hampered by poor road conditions sometimes rendered unpassable by strong rains and
