- WHEREAS, the safeguard and protection of the lives and properties of the people is one most basic duty and responsibility of the Philippine National Police;

- WHEREAS, Roxas municipality has 53,201 inhabitants and twenty-three (23) policemen on record including the Chief of Police, falling short of the ratio of 1 policeman per 1,000 population;
- WHEREAS, the inadequacy in workforce is quite alarming considering the big number of population which demands an efficient, honest and prompt service and considering too, the growing economic activities in the municipality, a frequent police visibility is deemed necessary and expedient;
