RESOLUTION NO. 005
Series of 1999

RESOLUTION RESPECTFULLY REQUESTING HON. JINGGOY E. ESTRADA, NATIONAL PRESIDENT, LEAGUE OF MUNICIPALITIES OF THE PHILIPPINES TO CONSIDER THE DRAINAGE PROJECT OF THE MUNICIPAL GOVERNMENT OF ROXAS, ORIENTAL MINDORO INSTEAD OF THE CONCRETING OF NATIONAL/MUNICIPAL/BARANGAY ROADS PER GUIDELINES OF THE P1M CO-SHARING PRIORITY INFRASTRUCTURE PROJECT OF THE LEAGUE OF MUNICIPALITIES OF THE PHILIPPINES AND THE DPWH.

WHEREAS, infrastructure development programs are among the major concerns of the municipal government of Roxas, Oriental Mindoro in support to the economic needs and priorities of its twenty barangays;

WHEREAS, the League of Municipalities of the Philippines and the Department of Public Works and Highways as a joint venture is implementing the P1 M cost-sharing project to all member municipalities throughout the country, which priority infrastructure project per guidelines set in MC No. 1298-001 dated 07 December 1998, is limited only to the concreting of a national/municipal road in front of the municipal plaza / municipal building or the construction / improvement of a barangay road leading to at least two barangays;

WHEREAS, roads fronting the municipal building and plaza of this town have already been concreted; if a barangay road leading to at least two barangays will be considered the funds allocated will be able to construct less than half of a kilometer and would only alarm and cause the constituents to clamor for the construction and completion of the project which the local governance cannot

immediately pursue considering its cost in relation to the financial status of the municipality;

WHEREAS, one prioritized project embodied in this municipality's development plan is the construction of the drainage systems and the improvement of existing ones particularly in the poblacion area where some P260,000 has been allocated in the 20% development plan budget for 1999;

WHEREAS, this amount is a little over the 25% counterpart required of the LGU for the cost-sharing project of the LMP and DPWH if the concerned authorities will consider the change of project priority from barangay road construction/improvement to drainage system construction/improvement;

WHEREAS, this request is respectfully addressed to Hon. Jinggoy E. Estrada, President of the League of Municipalities of the Philippines in the wake of the La Niña phenomenon; the construction and improvement of this municipality's drainage system is one of the urgent and vital measures that will help solve the problem of flood waters which has been experienced time and again by the townspeople in the past decade.

NOW THEREFORE on unanimous motion of of the members of this august body –

BE IT RESOLVED to respectfully request as it hereby requests Hon. Jinggoy E. Estrada, President, League of Municipalities of the Philippines to consider the drainage project of the Municipal Government of Roxas, Oriental Mindoro instead of the concreting of the national/municipal/barangay roads per guidelines of the P1 M co-sharing priority infrastructure project of the League of Municipalities of the Philippines and the Department of Public Works and Highways.

RESOLVED FURTHER to send copies of this resolution Hon. Jinggoy E. Estrada, President, League of Municipalities of the Philippines, 265 Ermin Garcia St., Cubao, Quezon City and the DPWH Sub-District Office, Roxas, Oriental Mindoro for their perusal and favorable consideration to this request for the benefit of the constituents of this municipality.

Unanimously Approved.
