RESOLUTION RESPECTFULLY REQUESTING THE HONORABLE GREGORIO VIGILAR, SECRETARY, DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS FOR THE RETENTION OF ENGR. EFREN G. PADILLA AS OIC ASSISTANT DISTRICT ENGINEER, DPWH SUB-DISTRICT OFFICE, ROXAS, ORIENTAL MINDORO.

WHEREAS, the socio-economic progress of a locality depends to a large extent on the construction and maintenance of infrastructure projects, establishments and structures that provide basic and indispensable services to the population of the community;

WHEREAS, the establishment of a DPWH Sub-District Office in this municipality in 1998 is a breakthrough for the municipalities of the Second District of Oriental Mindoro since this exemplifies the national government's goal of bringing services promptly to people and areas concerned;

WHEREAS, the Sub-District Office is very fortunate to have at its helm very good managers like District Engineer Serafin V. Santos and OIC Assistant District Engineer Efren G. Padilla;

WHEREAS, as Engineer III Chief of Maintenance Section of this office in January, 1998, Engr. Padilla has closely coordinated with the Municipal Government of Roxas for projects and requests brought to the attention of the District Engineer's Office and under the direction of his immediate supervisor, effected prompt and positive actions such as the rechanneling of the Bongabong River at Barangay San Rafael and at Sitio Boraorao, Barangay San Mariano, protecting the municipalities from another flash flood which could otherwise have caused much destruction to lives and properties;

WHEREAS, he has assisted or caused to assist the local residents in setting to order roads declared unpassable with blown down trees/tree trunks and those severely eroded by heavy rains where potholes not only are sore to the eyes but are hindrance to commuters and the transport of products and goods;

WHEREAS, in his capacity as Chief of the Maintenance Section of the agency, Engr. Padilla has helped improve the road conditions not only in Roxas municipality but in the Second District as a whole — repairing eroded shoulders, filling up potholes, installing road signs, traffic/warning signs, pedestrian lanes, school crossing signs and others for the welfare of the people;

WHEREAS, he also took to himself as a very important duty the regular maintenance of approaches to bridges and the repair of bridge structures damaged by calamities;

WHEREAS, his industry and commitment for work and his concern for people welfare is continuously manifested in his close monitoring and supervision of the projects being implemented by their agency and which resulted to early completion of the same;

WHEREAS, one major factor to his achievements in service is the good working and personal relationship he has developed and practiced with co-workers, agency personnel, the local government officials and the townspeople he came to work with;

WHEREAS, the Municipal Government of Roxas, Oriental Mindoro through this august body, considering the efficient services of Engr. Efren G. Padilla, hereby agreed to request authorities concerned for his retention as OIC Assistant District Engineer in the DPWH Sub-District Office in this municipality.

NOW THEREFORE on motion of Councilor Angeles D. Bautista and unanimously seconded by all -

BE IT RESOLVED to respectfully request as it hereby requests Hon. Gregorio Vigilar, Secretary, Department of Public Works and Highways for the retention of Engr. Efren G. Padilla as OIC Assistant District Engineer in the DPWH Sub-District Office in this municipality, the favorable action of which will be a boost to the morale of good and hardworking government employees serving for people welfare.
