RESOLUTION NO. 047
Series of 1999

RESOLUTION FAVORABLY ENDORSING TO CONCERNED GOVERNMENT
AGENCIES THE PROPOSED CONSTRUCTION OF THE 69 KV BANSUD-
ROXAS TRANSMISSION LINE PROJECT OF THE NATIONAL POWER
CORPORATION.

WHEREAS, rural electrification is one of the priority programs of our government which is a big support and a plus factor to the various development concerns in a locality;

WHEREAS, the availability of electricity in a municipality will afford the residents of one vital need, that of a lighting system which is very indispensable to the activities of all members of the family and to those who can afford, other luxuries electric service can provide;

WHEREAS, Roxas municipality is considered a melting pot and a center of trade and commerce in the south, a rapidly progressing and industrialized locality where booming industries require maximum use of power supply;

WHEREAS, the proposed construction of the 69 KV Bansud-Roxas transmission line project is envisioned to increase the supply of power in the municipality thereby providing the necessary services to other barangays and likewise of meeting the demands of consumers for stability of power;

WHEREAS, considering the many advantages the project will provide the local residents and the municipality as a whole and upon representation made by persons concerned to the municipal government of this municipality, this august body agreed to favorably endorse the project to government agencies concerned for approval or other actions necessary for the pursuance/continuity of the said project.

NOW THEREFORE on motion of Councilor Juanito A. Bacay, Jr. jointly seconded by Councilors Cesar T. Baticos and Juan S. Advincula -

BE IT RESOLVED to favorably endorse as it hereby endorses to concerned government agencies the construction of the 69 KV Bansud-Roxas transmission line project of the National Power Corporation, the prompt and propitious action will be for the welfare particularly of the people of this municipality.

RESOLVED FURTHER to send copies of this resolution Engr. Lorenzo S. Marcelo, OIC, Strategic Power Utilities Group, National Power Corporation, 3rd Floor Training Center Bldg., Quezon Avenue, Diliman, Quezon City for his perusal and reference and the Department of Environment and Natural Resources, Visayas Avenue, Diliman, Quezon City for necessary action.
