RESOLUTION NO. 014
Series of 1998

RESOLUTION RESPECTFULLY REQUESTING THE
DPWH SUB-OFFICE, ROXAS, ORIENTAL MINDORO
FOR FUNDING ASSISTANCE FOR THE CONSTRUCTION
OF A DRAINAGE SYSTEM ALONG DR. LEON P. CUSI,
CABRERA ST. AND MORENTE AVENUE IN THE
POBLACION AREA OF THIS MUNICIPALITY.

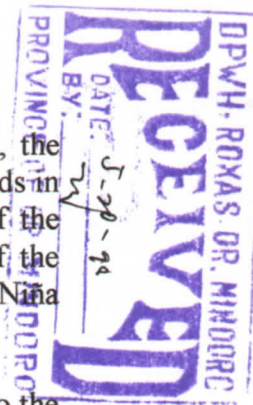

WHEREAS, a well-planned and a well-kept drainage system is one essential and basic factor to the maintenance of health and sanitation in a locality;

WHEREAS, the growth of urban population especially in the Poblacion area of Roxas, Oriental Mindoro yields an uncontrolled increase in residential houses and expansion of business establishments which in effect, increase percentage of pollutants of the environment, mostly causing the clogging and stagnation of crudely constructed canals and sewages;

WHEREAS, this municipality lies within the region that predominantly experiences a great amount of rainfall and is frequently visited by typhoons causing the residential sites and commercial zones to be flooded and floating with garbage and wastes, rendering the roughly-built and unfinished canals unserviceable;

WHEREAS, the Morente Avenue, Cabrera St. and Dr. Leon P. Cusi Street in the Poblacion have portions with roughly built canals but inadequate to contain heavy rains, more so the upcoming La Niña predicted to come by July or August, this year;

[Handwritten signature: fntal] *[Handwritten signature: ...]*

WHEREAS, the construction of a drainage system along Dr. Leon P. Cusi St., the Morente Avenue and the Cabrera St. are preventive measures to floods in these low-lying areas, a tool to maintain health and cleanliness of the surroundings and would allay the fears of the residents therein of the onset of heavy rains which may carry on its wake the La Nina phenomenon;

WHEREAS, the members of this august body are one in addressing the concern to the DPWH Sub-Office, Roxas, Oriental Mindoro and requesting that funding assistance for the construction of drainage system in above-named areas be given priority steps by authorities concerned.

NOW THEREFORE on motion of Kagawad Angeles D. Bautista duly seconded by Kagawad Ramil O. Dimapilis -

BE IT RESOLVED to respectfully request as it hereby requests the DPWH Sub-Office, Roxas, Oriental Mindoro for the construction of a drainage system along Dr. Leon P. Cusi St., Cabrera St. and Morente Avenue in the Poblacion area of this town, the favorable and prompt action of which will be beneficial not only to the people of these low-lying areas but of the municipality as a whole.

RESOLVED FURTHER to send copies of this resolution the DPWH Sub-Office District II thru Engr. Serafin Santos, Roxas, Oriental Mindoro for their perusal and most favorable action to this request.

Unanimously approved.
