WHEREAS, Roxas municipality has of late been the target of lawless elements especially those in the business of illegal drugs;

WHEREAS, this increasing problem on illegal drugs is gravely felt in many barangays of this municipality where the clienteles of pushers are most often the youths who are easily induced to using marijuana and shabu;

WHEREAS, the many incidents of drug-related crimes and untoward behavior of suspected users reported to authorities are cases that cannot be taken for granted as these are continuously growing and spreading to the rest of the barangays to a point that if left unchecked will loom to be a giant threatening to devour the society, cripple the economy, debase our values and render useless and unserviceable our manpower especially the youths whose future and well-being is our responsibility;

WHEREAS, inasmuch as the local police station has no section or unit to combat this drug operation in the area, drug peddlers and dependents freely pursue the illegal activity so that it is expedient effort be exerted to match the cunning move of drug operators who slyly escape the arms of the law;

Received by
PSR Supt CAGAYAN FR PSC
