RESOLUTION NO. 035
Series of 1995

RESOLUTION RESPECTFULLY REQUESTING THE HONORABLE SECRETARY, DEPARTMENT OF BUDGET AND MANAGEMENT, FOR THE RELEASE OF THE AMOUNT OF TWO HUNDRED EIGHTY NINE THOUSAND FIVE HUNDRED PESOS (P289,500.00) TO COVER THE SALARY INCREASE OF PUBLIC HEALTH WORKERS OF THE MUNICIPALITY OF ROXAS, ORIENTAL MINDORO FROM THE PERIOD FEBRUARY, 1994 TO DECEMBER, 1995.

WHEREAS, the Revised Compensation and Position Classification System adopted by virtue of Joint Senate and House Resolution No. 01 series of 1994 and enforced through Executive Order No. 164 as amended provided for the salary increase of public officials and employees, Sec. 5 (c) of said EO No. 164 as amended of which specifically states for equalization of salary scales of public health workers devolved to local government units with those of the National Government;

WHEREAS, Republic Act No. 7305 otherwise known as the Magna Carta for Public Health Workers stipulates that the salary scales of public health workers whose salaries are appropriated by local government units shall not be less than those provided for public health workers of the National Government;

WHEREAS, the same Republic Act 7305 mandates that the amount necessary to pay the difference between the salary rates received by nationally-paid and locally-paid health workers of equivalent positions shall be subsidized by the National Government;

WHEREAS, the amount appropriated under the 1994 General Appropriations Act for the implementation of the magna carta bene-

fits for the devolved public health workers cannot cover the salary increases authorized under said Revised Compensation and Position Classification System;

WHEREAS, inasmuch as the efficient and effective discharge of the health functions and responsibilities devolved to the local government units depends greatly on the morale and social and economic well-being of these locally-paid health workers, President Fidel V. Ramos issued on 13 December 1994 Administrative Order No. 170 upon the recommendation of the Chairman of the Oversight Committee which provides for the release of FIFTY MILLION (P50 M) to the Department of Health against whatever available funds under the 1994 General Appropriations Act which may be utilized as financial assistance to local government units for the partial implementation of the salary adjustments of the devolved public health workers authorized under Executive Order No. 164 as amended;

WHEREAS, said Administrative Order No. 170 likewise provided the scheme and conditions to which financial assistance shall be extended to local government units and the rules and regulations for the establishments, release, disbursement and accounting of which shall be issued by the Department of Budget and Management;

WHEREAS, being a fifth class municipality, the Municipal Government of Roxas, Oriental Mindoro is financially handicapped to even partially implement the salary increase of its public health workers being requested for the period February, 1994 to December, 1995; and

WHEREAS, this august body unanimously agreed to address this concern to the Department of Budget and Management for the immediate release of P289,500.00 salary increase of the public health workers of Roxas, Oriental Mindoro from February, 1994 to December, 1995 taking into account the benefits such will trigger to the welfare of the workers and which will in effect lead to a better and improved delivery of health functions to our constituents.

NOW THEREFORE, on motion of Kagawad Ferdinand V. Talens and unanimously seconded by all -

BE IT RESOLVED to respectfully request as it hereby requests the Honorable Secretary, Department of Budget and Management, for the immediate release of TWO HUNDRED EIGHTY NINE THOUSAND FIVE HUNDRED PESOS (P289,500.00) to cover the salary increase of the public health workers of Roxas, Oriental Mindoro from February, 1994 to December, 1995.

RESOLVED FURTHER to send copies of this resolution Hon. Salvador M. Enriquez, Secretary, Department of Budget and Management, Malacanang, Manila for his perusal and most favorable action for the welfare of our public health workers in whose hands the health welfare of our constituents largely depend.
