RESOLUTION NO. 051
Series of 1999

RESOLUTION RESPECTFULLY REQUESTING HON. RODOLFO G. VALENCIA, PROVINCIAL GOVERNOR OF ORIENTAL MINDORO FOR THE IMMEDIATE REHABILITATION OF THE SEAWALL AT BARANGAY DANGAY, ROXAS, ORIENTAL MINDORO.

WHEREAS, the protection of the shorelines of the municipality is one of the concerns of the town's officials and in cooperation with barangay leaders and the affected residents, programs for these coastlines have been prioritized in the municipality's development plan;

WHEREAS, a 30.70 meter seawall has been funded and constructed by the Provincial Government of Oriental Mindoro in Barangay Dangay sometime in 1996 which has been an initial step towards the protection of the shorelines; the project was continued by funds from the national government;

WHEREAS, in the past years the typhoons that visited the municipality destroyed inland properties and crops and those along the coastline had likewise been lashed by strong and big waves;

WHEREAS, the inclement weather coming from time to time caused strong current and big waves that gradually washed away the sands along the base of the foundation of the seawall;

WHEREAS, the ocular inspection conducted by the Sangguniang Bayan and the office of the Municipal Engineer revealed that 7.70 meters of the base had been opened by the strong current and the whole structure was found hollow with cracks spread along the length of the seawall;
