WHEREAS, the safeguard and protection of the lives and properties of the people is the one most basic duty and responsibility of the Philippine National Police;

WHEREAS, one of the factors in the enforcement and maintenance of peace and order in a place is the adequacy of the number of the enforcing arm so much so that the need of a certain number of population be serviced and sufficiently met by one policeman;

WHEREAS, Roxas municipality has around 38,000 - 34,000 inhabitants and twnty-two (twenty) policemen on record including the Chief of Police, three (three) of these are (Barangay) ineffective leaving nineteen (17) to share the various duties and responsibilities of the day-to-day routinary operations of the office;

WHEREAS, this inadequacy in workforce is quite alarming considering the big number of population which demands an efficient, honest and prompt service and considering too, the peace and order situation in the municipality and in the neighboring towns; and
