RESOLUTION NO. 74
Series of 1994

RESOLUTION RESPECTFULLY REQUESTING HON. ROBERTO S. SEBASTIAN, SECRETARY OF THE DEPARTMENT OF AGRICULTURE THAT THE MUNICIPALITY OF ROXAS, ORIENTAL MINDORO BE BENEFITED WITH SHALLOW GROUND WATER IRRIGATION SYSTEMS.

WHEREAS, three successive strong typhoons that hit Oriental Mindoro in December, 1993 severely affected Roxas municipality;

WHEREAS, said devastating typhoons wrought considerable damage to crops, properties and farm resources, especially to many irrigation canals that were rendered ultimately unserviceable;

WHEREAS, considering that this municipality is one major source of rice, vegetables and other crops for Oriental Mindoro and for other markets in some parts of Luzon and the Visayan Islands, there is an actual and felt need that our municipality be benefited with shallow Groundwater Irrigation System which is seen to uphold and support, the crude irrigation canals cooperatively constructed by local farmers associations;

WHEREAS, this improved irrigation system will be a tremendous help to farmers and will increase and sustain their output;

WHEREAS, this august body unanimously agreed to address this concern to the Honorable Roberto S. Sebastian, Secretary, of the Department of Agriculture so that the problem of the farmers of Roxas, Oriental Mindoro be given preference and the much-needed assistance.

NOW THEREFORE, on motion of Kagawad Ferdinand V. Talens duly seconded by Kagawad Honesto O. Taytay -

BE IT RESOLVED to respectfully request as it hereby requests the Hon. Roberto S. Sebastian, Secretary of the Department of Agriculture that this municipality be benefited with Shallow Groundwater Irrigation systems.

RESOLVED FURTHER to send copies of this resolution the Hon. Roberto S. Sebastian, Secretary of the Department of Agriculture, Diliman, Quezon City for his perusal and most favorable action for the benefit of the constituents of Roxas, Oriental Mindoro.

Unanimously approved.
