RESOLUTION NO. 76
Series of 2025

RESOLUTION STRONGLY ENDORSING THE REQUEST/APPLICATION OF ORIENTAL MINDORO ELECTRIC COOPERATIVE, INC. (ORMECO) TO THE ENERGY REGULATORY COMMISSION (ERC) FOR THE IMMEDIATE ISSUANCE OF PROVISIONAL AUTHORITY COVERING THE 57 MEGAWATT (MW) POWER SUPPLY AGREEMENTS (PSAS) AWARDED UNDER THE COMPETITIVE SELECTION PROCESS (CSP) CONDUCTED BY THE SAME ELECTRIC COOPERATIVE.

WHEREAS, the Oriental Mindoro Electric Cooperative, Inc. (ORMECO) is a duly organized Electric Cooperative existing under Philippine laws, responsible for providing electric service to the Member-Consumer-Owners within its franchise area in the Province of Oriental Mindoro;

WHEREAS, the Municipality of Roxas, along with the rest of Oriental Mindoro, continues to endure frequent power interruptions and insufficient electricity supply that significantly affect the lives of residents, disrupt local businesses, hinder delivery of social services, and impede economic growth;

WHEREAS, pursuant to the mandates of the Department of Energy (DOE) and the Energy Regulatory Commission (ERC) for the procurement of power supply through the Competitive Selection Process (CSP), ORMECO has successfully completed the CSP for Fifty-Seven (57) MW of guaranteed dependable capacity to address the growing energy demand and power supply deficit in the province;

WHEREAS, the resulting Power Supply Agreements (PSAs) are crucial to ensuring a reliable, stable, and least-cost supply of electricity to the MCOs, thereby

mitigating frequent and prolonged power interruptions (brownouts) that have severely hampered economic activities, public services, and the daily lives of the residents of Oriental Mindoro;

WHEREAS, the immediate issuance of a Provisional Authority is critically necessary to allow the winning Power Generation Companies to immediately commence with pre-construction activities, secure financing (which is often contingent upon a Provisional Authority), and meet the target commercial operation date (COD) stipulated in the PSAs;

WHEREAS, any further delay in the grant of the Provisional Authority will inevitably result in the continued and worsening power supply deficiency, forcing ORMECO to rely on more expensive emergency power sources or continuous load shedding, which directly and adversely impacts both the consumers' convenience and their electricity bills;

WHEREAS, the Sangguniang Bayan, representing the people, recognizes the diligent review process of the ERC but respectfully asserts that the prevailing power crisis in Oriental Mindoro warrants an urgent and favorable action on the prayer for Provisional Authority, in the interest of public welfare and the fulfillment of ORMECO's mandate to provide quality and reliable electric service;

NOW THEREFORE, on motion of Councilor Gualberto V. Magno duly seconded by Councilor Lucille T. Bacay, Councilor King Philip B. Dimapilis and Councilor Robert A. Baticos –

BE IT RESOLVED, to endorse, as it hereby endorses, the request/application of the Oriental Mindoro Electric Cooperative, Inc. (ORMECO) to the Energy Regulatory Commission (ERC) for the immediate issuance of provisional authority covering the fifty-seven (57) megawatt (MW) Power Supply Agreements (PSAs) awarded under the Competitive Selection Process (CSP) conducted by the same electric cooperative;

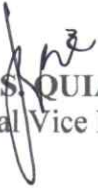

RESOLVED FURTHER that copies of this resolution be furnished to the Energy Regulatory Commission (ERC), the Department of Energy (DOE), the Oriental Mindoro Electric Cooperative, Inc. (ORMECO), and all other concerned agencies for their information and appropriate action.
