RESOLUTION NO. 89
Series of 1994

RESOLUTION RESPECTFULLY REQUESTING THE DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS, CALAPAN, ORIENTAL MINDORO TO EFFECT IMMEDIATE REPAIR OF THE EXISTING HANGING FOOTBRIDGE AT ORCONOMA RIVER AND TO CONSTRUCT A DETOUR ROUTE IN SAID SITE.

WHEREAS, the rainy season in this southern portion of the province has long started with its oftentimes torrents of rain and which reawakened the fear and anxiety of the local residents firstly, for ensuing flashfloods from the unpredictable Bongabong River and secondly, from the difficulties and perils of travelling via this river;

WHEREAS, the only recourse for passengers to cross and for cargoes to be transported on the high waters of this river when passenger buses can no longer make it is through a footbridge which at present is nearing collapse with the continuous use and the battering of weather;

WHEREAS, movement of people from all sectors and walks of life to and from this town is inevitable most especially on urgent and emergency cases and crossing the Bongabong River via this footbridge at Orconoma poses a serious threat to lives and properties;

WHEREAS, this august body is of the opinion concerned authorities should take cognizant of the plight of all the people availing of this route and the numerous lives at peril in crossing this Orconoma footbridge and thereby highly requests and recommends for its immediate repair;

WHEREAS, this body also considers it urgent and for the welfare of all people concerned that an alternative detour route be undertaken as a vital support for accessibility of Roxas, Mansalay and Bulalacao (ROMANBUL) areas to the other towns of the province beyond the river.

NOW THEREFORE, on motion of Kagawad Lorna P. Dimapilis and unanimously seconded by all -

BE IT RESOLVED to respectfully request as it hereby requests the Department of Public Works and Highways, Calapan, Oriental Mindoro to effect immediate repair of the existing hanging footbridge at Orconoma River and to construct a detour route as an alternative support for access of the southernmost municipalities of the province to other areas beyond the Bongabong River.

RESOLVED FURTHER to send copies of this resolution Engr. Vicente A. Abutan, Jr., District Engineer, Department of Public Works and Highways, Calapan, Oriental Mindoro for his prompt and favorable action to this request.

RESOLVED FINALLY to furnish copies of this resolution, Hon. Rodolfo G. Valencia, Provincial Governor of Oriental Mindoro and the Hon. Sangguniang Panlalawigan, Calapan, Oriental Mindoro for their perusal and much needed support.
